DINKA SCHOOL BOOK LIST FOR OUR ACADEMIC YEAR 2023

Class	Course books								Reference books (not necessarily by TIE)							
	Make sure that all these books are written and published by the <i>Tanzania institute of education (tie)</i> except for the Nursery Y2 books and all which are highlighted in grey shade herein. All books are available in most major bookshops all over the country.								<ul style="list-style-type: none"> ➤ These books are important, but you might not need to buy all of the and annually. If you didn't buy them previously, just have a reasonable selection from our list ➤ Your child can use the same book in all classes if they are well taken care of especially those in the last 6 columns.
